YAYASAN JCORP

2026 Edition • Bil 2

A Milestone for Impact. A Step Forward for Sustainability.

The JCorp Group Sustainability & Yayasan JCorp Open Day 2026 was a significant occasion for Johor Corporation, marking its first integrated event dedicated to uniting sustainability, collaboration, and community engagement within a single vibrant platform.

Held at B5 Johor Street Market on 26-27 April 2026, the Open Day showcased the Group's sustainability initiatives while highlighting their positive outcomes for both people and planet. The event was officially launched by YB Tuan Ling Tian Soon, Chairman of the Johor State Health and Environment Committee, with the key highlights of the event being the exchange of three strategic collaboration documents involving Johor Sustainability Centre (JSC), Johor State Forestry Department, Tourism Johor, Johor Skills Development Centre, and PERHEBAT - reflecting a collective, steadfast commitment towards advancing sustainable development throughout the state.

Encapsulated by the open day, Yayasan JCorp continues to drive impactful initiatives across its four key pillars of Education, Arts, Culture & Heritage, Environment and Community Well-being. This commitment is brought to life at the Open Day through its wide range of flagship programmes, including Pentas Seni Johor, *Mehlah Zapin Johor*, Waste to Wonders, Sustainability and Creative Workshops, *Pasar Seni, Projek WARO*, and community engagement platforms such as Pocket Talks. Together, these initiatives foster creativity, promote sustainability adoption, and support the growth of diverse resilient communities.

Cultivating Future Innovators through Smart Farming

Yayasan JCorp continues to champion sustainable STEM learning by introducing two new Smart Farming Greenhouses under Yayasan JCorp's ongoing Sustainable School – STEM Programme. Unveiled at SMK Seri Kota Puteri 2 on 10 June 2026 and SMK Tasek Utara on 30 June 2026, the new facilities marked the 7th and 8th installations of Smart Farming Greenhouses across Johor.

Made possible alongside Johor Plantations Group Berhad (JPG) and Waqaf An-Nur, each 600-square-foot greenhouse integrates Internet of Things (IoT) technology to create an interactive learning environment where students can explore modern farming practices while developing practical knowledge in the fields of sustainability and digital innovation.

The launch ceremony at SMK Seri Kota Puteri 2 was officiated by Tuan Haji Abdul Karim Masiran, Senior Assistant Director (TVET), Learning Sector, Johor State Education Department. Meanwhile, the launch at SMK Tasek Utara was officiated by Encik Wan Adlin Wan Mahmood, Chief Commercial Officer, Commercial & Sustainability Division, Johor Plantations Group, marking another step forward in cultivating the next generation of future-ready leaders.

Programme Impacts

8 Smart Farming Greenhouses across Johor, enabling access to STEM education and sustainable agriculture practices.

240 students and 40 teachers enriched through hands-on agri-tech training and future-ready skills in smart farming.

Created sustainable income-generating opportunities, with each greenhouse capable of generating over **RM1,000** per harvest.

Programme Objectives

Strengthen STEM education through experiential learning by integrating smart farming, modern agriculture and Internet of Things (IoT) technology.

Develop future-ready students with critical thinking and digital competencies for the green economy.

Promote environmental sustainability through strategic partnerships while encouraging sustainable practices.

Relevant SDGs

Empowering Educators. Inspiring Innovation. Shaping Future Generations.

Bringing together education, innovation, and sustainability, Yayasan JCorp organised the Sustainable School – STEM Symposium 2026. Officiated by YB Dato' Mizan Yahya, Chief Executive Officer of Yayasan JCorp and held on 11 June 2026, the symposium welcomed 300 educators, policymakers, and strategic partners to celebrate collaboration and sustainability-driven learning under the Sustainable School – STEM Programme.

Among the symposium's highlights was the STEM Prototype Showcase and Competition, which saw participating schools present innovative solutions developed through classroom implementation. SMK Bandar Baru Uda emerged as the overall champion of this event owing to their outstanding innovation and application of STEM learning in their premises. The event also marked another significant milestone with the signing of a Heads of Agreement between Yayasan JCorp and Petrosains, setting the stage for broader STEM learning opportunities and future innovation-driven programmes.

From its initial roots back in 2023, the programme has been implemented in collaboration with the Johor State Education Department (JPNJ), Singapore National Institute of Education (NIE), and Temasek Foundation, leveraging strong partnerships and hands-on learning experiences to advance the future of STEM education.

Making Compost from Plant Waste:
A Practical Guide to Natural Recycling and Micro Monitoring

Programme Objectives

Showcase innovative STEM prototypes and solutions developed by teachers through collaborative training and capacity-building programmes with the National Institute of Education (NIE).

Facilitate the exchange of **best practices and innovative teaching** approaches among pilot and surrounding schools, strengthening STEM education across Johor.

Strengthen strategic partnerships between education stakeholders and international institutions to advance innovation, knowledge exchange and sustainable STEM development.

Programme Impacts

Strengthened collaboration with four strategic education and industry partners to dvance knowledge exchange, educational innovation and STEM excellence.

300 educators, policymakers and strategic partners gathered to strengthen collaboration and advance innovation in sustainability-driven STEM education.

Showcased seven innovative STEM prototypes during the symposium, demonstrating creative solutions and practical applications developed by participating schools.

DigiLIT: Bridging The Digital Divide

Yayasan JCorp continued to strengthen digital inclusion with the launch of DigiLIT: Creating Future Ready, Creating Digital Environments at SK Sayong Pinang on 8 April 2026. Implemented in collaboration with the Johor State Education Department (JPNJ) and Industrial Concrete Products (ICP Piles) Senai Branch, the initiative aimed to bridge the digital divide amongst rural and B40 students, focusing on educational accessibility.

With an RM80,000 contribution for 2026, this initiative expanded upon the previous year's efforts through strengthening the school's digital learning ecosystem, delivering additional smartboards, upgraded digital learning facilities, and technology skills workshops on top of the support provided during 2025. Underscoring the significance of this initiative, the programme was launched by Encik Zulkurnain bin Abdul Rahman, Director of the Johor State Education Department, in the presence of YB Dato' Mizan Yahya, Chief Executive Officer of Yayasan JCorp, and Encik Stanley Pao Siong Tan, Factory Head of ICP Piles Senai Branch.

Scan this QR Code for additional coverage on this contribution:

Relevant SDGs

Programme Objectives

Strengthen digital access and learning opportunities for students in rural and underserved communities.

Enhance digital teaching and learning through improved technology infrastructure and digital literacy initiatives.

Foster collaboration between the education sector and industry partners to build a future-ready learning ecosystem.

Programme Impacts

Benefitted **65 students** at SK Sayong Pinang with enhanced digital learning facilities, technology skills workshops, and access to interactive smartboards.

Contributed **RM80,000** to strengthen the school's digital learning ecosystem.

Yayasan JCorp Brings Johor's Heritage to the World Stage

Yayasan JCorp achieved a proud milestone for Johor's culinary heritage by making the Longest Line of Laksa Johor during the World Chefs Championship (WCC) 2026 at Persada Johor on 21 May 2026. Recognised by the Asia Book of Records and ASEAN Records, this continuous 108-metre line of Laksa Johor was created using 1,200 bowls, prepared by a team of 30 chefs comprising 11 international chefs participating in the championship and 19 Johor gastronomy entrepreneurs under Yayasan JCorp's Projek WARO (*Warisan Asli, Rasa Original*).

The achievement, beyond just setting a new record, served as a powerful showcase of Johor's culinary heritage to an international audience consisting of representatives from 42 countries and more than 2,389 participants and visitors.

Done in collaboration with Tourism Johor and the Malaysian Culinary Masters Association (MCMA), this initiative underscores Yayasan JCorp's ongoing commitment to preserving Johor's cultural heritage, empowering local communities, and elevating the state's unique identity on the global stage.

Additionally, the programme also strengthened Johor's culinary ecosystem by fostering strategic collaboration among government agencies, tourism partners, culinary experts, local entrepreneurs, and communities.

Furthermore, the event's international appeal was bolstered by the presence of renowned chef Martin Yan, host of Yan Can Cook, in support of the Visit Johor 2026 campaign.

Scan this QR code to catch this groundbreaking record in action:

Relevant SDGs

Programme Impacts

Secured entries in the Asia Book of Records and ASEAN Records through the creation of the **108-metre Longest Line** of Laksa Johor, prepared using **1,200 bowls** by **30 chefs**

Expanded economic opportunities for local gastronomy entrepreneurs through Projek WARO by providing sales and promotional platforms for Johor-based food businesses.

Reached over **2,389 participants** across 42 countries, exposing them to Johor's cultural profile via Laksa Johor.

Programme Objectives

Promote Johor's gastronomic heritage by showcasing Laksa Johor on the international stage.

Empower local gastronomy entrepreneurs with business and market access opportunities through Projek WARO (*Warisan Asli, Rasa Original*).

Strengthen strategic collaboration among government agencies, industry players, culinary experts and local communities to advance Johor's tourism and cultural ecosystem.

Celebrating Culture & Heritage @ Yayasan JCorp Open Day

The JCorp Group Sustainability & Yayasan JCorp Open Day 2026 provided a vibrant stage for Johor's arts, culture, and heritage to shine, celebrating the state's creative identity through a diverse range of cultural experiences and community-led activities.

A key highlight was the Pentas Seni Johor concert, which drew an audience of 7,988 with live performances by prominent local acts including Bunkface, Fugo, and Edmire Acoustic. These electrifying performances, beyond just invigorating the audience, created meaningful opportunities for local artists to showcase their talents while cultivating greater appreciation for Johor's thriving creative landscape. The event also invited visitors to immerse themselves in Johor's living heritage through the interactive Mehla Zapin Johor workshop. Guided by experienced practitioners, participants learned the traditional zapin dance, encouraging a deeper understanding and continued preservation of one of the state's most renowned cultural traditions.

Complementing these cultural performances and workshops, Pasar Seni (Artisan Market) brought together local artisans exhibiting handcrafted creations inspired by Johor's culture and heritage, while Projek WARO (*Warisan Asli, Rasa Original*) showcased authentic Johor cuisine through the participation of heritage food entrepreneurs. Together, these initiatives expanded market opportunities for local entrepreneurs, supported income generation, and introduced Johor's rich artistic and culinary heritage to a wider audience.

Programme Objectives

Promote Johor's arts, culture and heritage through performances, cultural experiences and heritage-based community activities.

Platform **local artists, artisans and heritage food entrepreneurs** to showcase their talents and offerings.

Foster community appreciation and participation in preserving Johor's cultural identity through **interactive arts and heritage programmes**.

Programme Impacts

Engaged **300 participants** in the Mehla Zapin Johor workshop, fostering greater awareness and preservation of Johor's traditional performing arts heritage.

7,988 visitors attended the Pentas Seni Johor concert.

Supported **15 local artisans and 13 heritage food entrepreneurs** through the Artisan Market (*Paso Seni* and Projek WARO (*Warisan Asli, Rasa Original*).

Relevant SDGs

Inspiring Sustainable Living @ Yayasan JCorp Open Day

Aiming to revolutionise sustainable living through practical action, Waste to Wonders served as one of the environmental highlights of the JCorp Group Sustainability & Yayasan JCorp Open Day 2026. As a community-driven initiative, the programme engaged and educated visitors through meaningful activities centred on recycling, creativity, and environmental awareness.

Headlining the day was the Drive-Thru Recycling programme, which collected 2.5 tonnes of recyclable materials from 45 participating households. This encouraging response showcased the power of community togetherness, exemplifying the positive environmental impact achievable when everyone collectively engages in simple, everyday sustainable practices. Environmental stewardship was also instilled in younger generations with a Children's Colouring Competition, organised in collaboration with SWM Environment. This competition involved 50 children and encouraged them to explore themes of sustainability and environmental conservation through creative expression.

Additionally, 120 visitors participated in a range of Sustainability & Creative Workshops and talks, featuring activities such as upcycled scented candle making, jewellery crafting, plastic tote bag making, and mirror painting. By demonstrating the various ways that everyday materials can be repurposed, these activities reinforced the principles of reuse and circularity while inspiring more sustainable daily lifestyles.

Programme Objectives

Promote responsible waste management and circular economy practices through community-based recycling and upcycling initiatives.

Cultivate environmental awareness among children, youth and families through interactive sustainability education and creative learning activities.

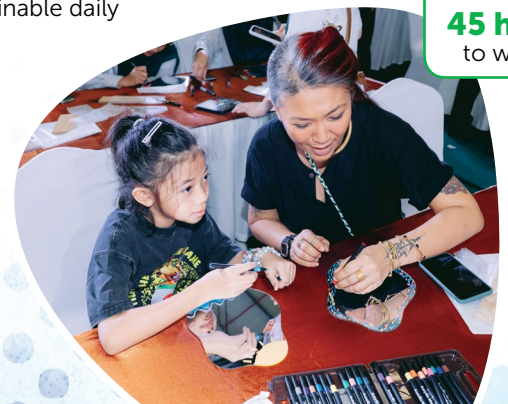

Encourage community participation and cross-sector collaboration to foster a culture of environmental stewardship and sustainable living.

Programme Impacts

Collected **2.5 tonnes** of recyclable materials through the Waste to Wonders Drive-Thru Recycling initiative, with the participation of **45 households**, contributing to waste diversion from landfill.

Promoted sustainable lifestyles through experiential learning, featuring **4 upcycling workshops** that taught participants how to transform everyday materials into practical products.

Engaged **170 community** participants, including **120 participants** in sustainability workshops and **50 children** in the colouring competition.

Relevant SDGs

1 Million Roots for the Future: *Satu Benih Sejuta Harapan*

Yayasan JCorp joined forces with Johor Plantations Group Berhad (JPG) and Briged Bakti Malaysia to organise a tree planting programme under the 1 Million Roots for the Future initiative. Held on 30 April 2026 at IPG Kampus Tun Hussein Onn, Batu Pahat, the programme was held with the theme of *Satu Benih Sejuta Harapan* - representing how one small step today can bear fruit for the futures of many tomorrow.

The event gathered a total of 120 volunteers from JPG, IPG Kampus Tun Hussein Onn, PERHEBAT Kluang Branch, KPJ Batu Pahat Specialist Hospital, and Briged Bakti Malaysia to plant 200 trees comprising Pokok Kasai, Ficus Gold, and Balau Sekawang Air. The initiative enhanced the campus landscape, encouraging environmental stewardship while fostering greater community participation in climate action. The programme was also graced by the presence of YB Dato' Mizan Yahya, Chief Executive Officer of Yayasan JCorp, together with representatives from JPG, Briged Bakti Malaysia, and IPG Kampus Tun Hussein Onn.

Programme Impacts

- Mobilised **120 volunteers** across various corporate, education, healthcare, and community organisations.
- Planted **200 trees** around the campus consisting of Pokok Kasai, Ficus Gold, and Balau Sekawang Air.

Programme Objectives

- **Promote environmental sustainability** through tree planting and ecosystem restoration.
- **Encourage volunteerism and community** participation in collective climate action.
- **Strengthen strategic collaboration** between corporate partners, educational institutions, and community organisations to create more sustainable environments.

Strengthening Bonds Through Compassion and Care

Embodying the spirit of Hari Raya Aidilfitri, Yayasan JCorp proactively supported vulnerable communities through two impactful initiatives, promoting compassion, generosity, and social inclusion for all during the festive season.

The first event took place on 7 April 2026 with the *Majlis Jalinan* Kasih Kumpulan Johor Corporation at Persada Johor International Convention Centre, Johor Bahru, where 32 orphans, senior citizens, and persons with disabilities (PWDs) were celebrated. As part of the occasion, Yayasan JCorp contributed RM20,000 to four welfare organisations. The contribution was presented by YB Dato' Mohammed Ridha bin Dato' Abd Kadir, Johor State Secretary, and reaffirmed Yayasan JCorp's steadfast dedication to ensuring community well-being.

Following this, Yayasan JCorp held a Majlis Ramah Mesra on 13 April 2026 at Pusat Jagaan Warga Emas Nur Ehsan. The festive gathering served as a platform to foster meaningful companionship and care, ensuring that the residents felt appreciated and connected. The programme was supported by volunteers from Sahabat Yayasan JCorp and the Johor Heritage Foundation. During the programme, Yayasan JCorp also contributed RM7,500 to three elderly care centres.

Scan these QR codes for extensive coverage on these events:

Relevant SDGs

Programme Objectives

Strengthen support for vulnerable communities through meaningful festive outreach and welfare assistance.

Foster compassion, social inclusion, and stronger community bonds during the **Hari Raya Aidilfitri** celebration.

Collaborate with strategic partners and welfare organisations to enhance the well-being of underserved communities.

Programme Impacts

Benefitted **32 orphans**, senior citizens, and persons with disabilities (PWDs) through the Majlis Jalinan Kasih Kumpulan Johor Corporation.

Contributed a total of **RM27,500** to seven welfare organisations, supporting the well-being of senior citizens, orphans, and persons with disabilities.

Empowering Community Inclusion & Empowerment: Neurodivergent Raya Fun Run 2026

Championing its commitment to fostering an inclusive society, Yayasan JCorp brought the wider public together in solidarity through the Neurodivergent Raya Fun Run 2026, held at Taman Tropika UTM, Johor Bahru. Organised in collaboration with Persatuan Kanak-Kanak Autisme Johor Bahru (PKAIJB), the programme was carried out in conjunction with the JCorp Group Sustainability and Yayasan JCorp Open Day 2026, as well as Autism Awareness Month.

A total of 480 participants took part in the event, comprising neurodivergent children and adults, parents and caregivers, educators, non-governmental organisations (NGOs), volunteers, corporate partners, and members of the public. Besides recreation, the fun run served as a meaningful platform for interaction, encouraging greater understanding of autism and neurodiversity while fostering stronger community support for individuals on the autism spectrum.

The programme was officiated by YB Dato' Mizan Yahya, Chief Executive Officer of Yayasan JCorp, and attended by Encik Bahrin Bakri, Chief Operating Officer of Waqaf An-Nur, and Puan Siti Noraisikin Mohd Jazuli, Chairperson of Persatuan Kanak-Kanak Autistik Islam Johor Bahru (PKAIJB).

The Neurodivergent Raya Fun Run also reflects a broader, long-term commitment by Yayasan JCorp to ensuring community wellbeing. Since 2024, the foundation has contributed RM80,000 towards autism-related initiatives, supporting efforts to empower neurodivergent individuals, strengthen community acceptance, and create more opportunities in line with the needs of all individuals.

Scan this QR for a recap of this fun run:

Relevant SDGs

Programme Objectives

Promote greater awareness, understanding, and acceptance of neurodivergent individuals within the community.

Encourage inclusive community participation by bringing together neurodivergent individuals, families, educators, NGOs, corporate partners, and members of the public.

Strengthen strategic partnerships to advance advocacy and support for the autism community.

Programme Impacts

480 participants participated in the run, showcasing inclusion, empathy, and social cohesion.

RM80,000 contributed since 2024 to support programmes and initiatives that empower the autism community.

Korban Kasih Programme 2026

In conjunction with the Hari Raya Aidiladha celebrations, Yayasan JCorp organised the *Korban Kasih* Programme 2026 in collaboration with Pertubuhan Kebajikan Ihsan Melana Johor Bahru. Held on 28 May 2026 at Surau PPR Melana Indah Fasa 2, Perling, Johor, the programme reflected the foundation's steadfast commitment and support of the community through the values of compassion, generosity, and sacrifice.

Following the successful introduction of the initiative in 2025, *Korban Kasih* returned for its second year on a larger scale. For the year, the programme culminated in the sacrifice of seven cows, with the korban meat distributed to 735 beneficiaries comprising asnaf families and residents from the surrounding Perling community. Nearly 200 volunteers from Johor Corporation, Johor Plantations Group Berhad, and the local community contributed to the initiative, working together throughout the preparation and distribution process to ensure its success.

Programme Objectives

Provide meaningful support to asnaf and underserved communities during Hari Raya Aidiladha.

Foster the values of compassion, sacrifice, volunteerism, and community solidarity.

Strengthen partnerships between corporate volunteers, community organisations, and local communities through collaborative social initiatives.

Relevant SDGs

Programme Impacts

Seven cows were offered and distributed to **735 asnaf** recipients and members of the surrounding community.

Nearly **200 volunteers** from Johor Corporation, Johor Plantations Group Berhad, and the local community assisted with the programme.

Expanding Healthcare Access: Pulau Aur

KPJ Pasir Gudang Specialist Hospital conducted a two-day Corporate Social Responsibility (CSR) Free Health Screening Programme at Pulau Aur, Mersing on 25 and 26 April 2026, in conjunction with the 80th Anniversary Celebration of RTM and Johor FM. Aimed at improving access to essential healthcare services for 115 island residents, the hospital provided free health screenings, medical consultations and physiotherapy services. They also served as the official First Aid Team throughout the event, reinforcing their commitment to community well-being and high-quality healthcare outreach.

Programme Impacts

115 participants from Pulau Aur, neighbouring islands and the RTM production crew received free health screening and medical consultations.

5 healthcare services were delivered, including blood pressure screening, blood glucose testing, BMI assessment, health consultation and physiotherapy services.

Programme Objectives

Improve access to quality healthcare services for underserved island communities through free health screening programmes.

Promote preventive healthcare awareness and encourage early disease detection among local communities.

Strengthen community wellbeing through strategic collaboration with RTM Johor, JOHORfm and local authorities.

Relevant SDGs

A Dynamic Quarter: Yayasan JCorp's Q2 2026 Engagements and Events

Building on the momentum established earlier in the year, the second quarter of 2026 saw Yayasan JCorp advancing initiatives that create lasting value for communities across the state and beyond. Continuously delivering value across its four core pillars, Yayasan JCorp launched and supported a diverse suite of programmes, balancing the expansion of existing efforts with the introduction of new initiatives to foster sustainable, inclusive progress for both present and future communities. With everyone driven forward by a shared commitment to meaningful impact, Yayasan JCorp also worked hand in hand with strategic partners, beneficiaries, and stakeholders to maximise its reach, effectively creating greater opportunities that leave a lasting positive mark for all.

Here's a snapshot of our key engagements and events from April to June 2026:

7 April 2026

In conjunction with the Majlis Jalinan Kasih Kumpulan Johor Corporation, Yayasan JCorp celebrated 32 orphans, senior citizens, and persons with disabilities (PWDs), while contributing RM20,000 to four welfare organisations in support of their continued care and well-being.

8 April 2026

Yayasan JCorp successfully held the DigiLIT: Creating Future Ready, Creating Digital Environments programme at SK Sayong Pinang. Executed in collaboration with JPNJ and ICP Piles Senai Branch, Yayasan JCorp supported the event with an RM80,000 contribution, promoting technological adoption and skills amongst the youth through investments into new digital learning facilities.

13 April 2026

Yayasan JCorp organised the Majlis Ramah Mesra Bersama Pusat Jagaan Warga Emas Nur Ehsan at Pusat Jagaan Warga Emas Nur Ehsan. The foundation also contributed RM7,500 to three elderly care centres, supporting the senior citizens' general well-being.

26 & 27 April 2026

The JCorp Group Sustainability & Yayasan JCorp Open Day 2026 was held at B5 Johor Street Market, Johor Bahru, bringing together education, arts, culture & heritage, environmental sustainability and community engagement on a single integrated platform. The two-day event attracted 16,628 visitors and generated RM538,166 in total sales. Key highlights included the Waste to Wonders recycling initiative, which promoted circular economy practices through the collection of recyclable materials from the public, Pentas Seni Johor, which showcased local artistic and cultural performances in support of Visit Johor Year 2026, and the Neurodivergent Raya Fun Run, organised in collaboration with the Johor Bahru Autism Children's Association (PKAIJB) to foster inclusivity, healthy living, and greater community support for the neurodivergent community.

27 April 2026

Yayasan JCorp held a Final Assessment Session for 6 participants under the Basic Intensive Course in Kain Benang Johor Weaving. The course itself is part of Projek Legasi Johor, and the final assessment was led by Encik Nor Syazlan Abd Razak, Director of Yayasan Warisan Johor; Puan Aliza Haryati Khalid, General Manager of Yayasan JCorp; and Puan Noor Azima Mohd Alwi, Director of Johor Kraf. The course represents a shared commitment to safeguarding Johor's cultural legacy, nurturing a new generation of skilled custodians who will bear the torch of Kain Benang Johor for years to come.

30 April 2026

Yayasan JCorp held the 1 Million Roots for the Future: *Satu Benih Sejuta Harapan* programme, where 120 volunteers planted 200 trees consisting of Pokok Kasai, Ficus Gold, and Balau Sekawang Air to revitalise ecosystems and the climate around the area. The event was also graced by YB Dato' Mizan bin Yahya, the Chief Executive Officer of Yayasan JCorp, alongside other key figures from JPG, Briged Bakti Malaysia, and IPG Kampus Tun Hussein Onn.

20 May 2026

Yayasan JCorp held a Focus Group Discussion (FGD) session on the implementation of Pentas Seni Johor District's Tour 2026 at Menara KOMTAR, JBCC. The planned event, which will be a statewide initiative designed to bring arts, culture, and heritage closer to communities across selected districts in Johor, brought together stakeholders from various districts and key cultural partners across Johor, including Jabatan Kebudayaan dan Kesenian Negeri Johor, Majlis Kebudayaan Negeri Johor, Tourism Johor, and others. With the dialogue session aimed at planning and aligning ideas for the strategic direction of the programme, it served as a platform that shaped meaningful, inclusive, and community-driven cultural experiences. YB Dato' Mizan Yahya, Chief Executive Officer of Yayasan JCorp, was present during the final presentation session by participants.

21 May 2026

Yayasan JCorp received the Strategic Partner Appreciation Award from the Johor State Education Department during the Anugerah Kecemerlangan Bakat Murid Peringkat Negeri Johor 2025, held at SJKC Seg Hwa, Segamat. The ceremony itself was officiated by YB Dato' Zahari bin Sarip, Chairman of the Johor State Committee for Agriculture, Agro-Based Industry and Rural Development, with Puan Aliza Haryati Khalid, General Manager of Yayasan JCorp, representing Yayasan JCorp to receive this award. This award recognises Yayasan JCorp's unwavering efforts in empowering impactful educational support and strategic collaboration across Johor. To celebrate this achievement alongside others, Yayasan JCorp also distributed 300 KFC snack packs to honoured students and teachers, bringing joy to the occasion.

21 May 2026

Yayasan JCorp achieved the Longest Line of Laksa Johor (108 metres) in collaboration with the World Chefs Championship 2026. This new record was recognised by Asia Book of Records and ASEAN Records, setting a new milestone in showcasing the state's heritage on the global stage.

24 May 2026

Yayasan JCorp supported the family of the late Muhamad Haiman bin Zulkefli, who was an exceptional apprentice student of the Akademi Dalam Industri (ADI) Cohort 2. His loss was felt not just by his family, but also by the greater Akademi Dalam Industri (ADI) community who worked alongside him throughout the programme. Out of remembrance, support, and solidarity during a difficult period, Yayasan JCorp joined with QSR Brands to visit Muhamad Haiman's family. During the visit, QSR Brands presented a contribution of insurance protection benefits to the deceased's family, as part of those received by the ADI students throughout this programme. The Yayasan JCorp also channelled assistance with necessities to help ease the burden borne by the family. May his soul be blessed and placed among the faithful.

28 May 2026

Under the *Korban Kasih* Programme, Yayasan JCorp distributed two cows for the benefit of 735 asnaf recipients and local community members, done through the support of nearly 200 volunteers.

10 & 30 June 2026

Yayasan JCorp expanded its Sustainable School – STEM Programme with the official launch of the 7th and 8th Smart Farming Greenhouses at SMK Seri Kota Puteri 2 and SMK Tasek Utara, respectively. The expansion strengthened the foundation's Smart Farming network across Johor, enabling more schools to enhance STEM education through hands-on learning while generating income from sustainably grown produce.

11 June 2026

Yayasan JCorp hosted the Sustainable School – STEM Symposium 2026, where 300 educators, policymakers and strategic partners gathered in a collective celebration of sustainable learning. Notable event highlights include a STEM Prototype Showcase and the signing of a Heads of Agreement with Petrosains.

21 June 2026

Yayasan JCorp supported the Southern Zone Theatre Festival programme at Panggung Seri, Kompleks JKKN Melaka, as part of its ongoing efforts to preserve the state's rich artistic heritage for future generations. With the acclaimed reception of their Teater Dalang play, Persatuan Gerak Teater Tari Johor Bahru emerged as the winner of this event. Featuring a compelling script centred on preserving family values and cultural identity, Teater Dalang follows the journey of Ki Bayu, a dedicated puppeteer determined to safeguard his family's artistic legacy while navigating the challenges of an ever-changing world.

30 June - 2 July 2026

Yayasan JCorp supported the Johor Young Debaters Competition (English Language), an engaging platform that encourages young minds to exchange ideas, sharpen their communication skills, and expand their horizons through thoughtful discussions. Organised by the Johor State Education Department and the Raja Zarith Sofiah Foundation of Johor to nurture tomorrow's leaders, this event gathered 55 outstanding students representing 11 District Education Offices across Johor. PPD Batu Pahat emerged as the Champion of the Johor Young Debaters Competition (English Language) for Primary Schools 2026 and will go on to represent Johor at the national level.
